Offer...

The Sky Valley Arts Council will serve as an organization to promote and develop the arts and heritage experience as a viable element of the lifestyle, education and economy in the Sky Valley

Market / Audience

Benefit to Local Communities

- Contribute to educational and lifestyle activities
- Enhance viability of local individuals, businesses and organizations that depend on art and heritage activities

Benefit to Visitors

- Experience unique art and heritage events
- Enhance their rural destination or recreation visit

Next Steps

- Define our mission, our priorities and shape our brand as a contributor to the valley arts & heritage experience
- Establish Non profit status and business plan
- Start the circle of communication and develop partnerships

What would you define as your top 2 priorities for a Sky Valley Arts Council?
